

PROP 65 WARNING RELEASE FORM

Moss Nutrition Products, Inc. cannot verify that substances mandated by Proposition 65 in the state of California are either not in products sold by Moss Nutrition Products, Inc. or are in products sold by Moss Nutrition Products, Inc. at levels that satisfy the requirements of Proposition 65. Therefore, as mandated by Proposition 65, we issue the following warning for all products that are shipped to end-users in the state of California:

Warning: Consuming these products can expose you to chemicals including lead, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

By signing this form, you acknowledge you have read this warning about the products you will be purchasing from Moss Nutrition Products, Inc.
